61. Trivia

1

Hi.. My name is Viper. I used to live in SnakeClan.

2

I've been stripped of my former title.
Vipersong.

3

Why? Well, I'll tell my story.
It's not for the squeamish. I have killed. There will be blood if you don't like that stuff turn back.

4

SnakeClan 6 years ago

5

I hate my sister.
I hate my sister.
I hate my sister.

6

She followed me.

7

She saw what I did.

8

I killed a MouseClan apprentice.

9

The one *she* liked.

10

He charged at me! He was on my territory! So I killed him. Easy as that.

11

I liked it. The feel of blood. The saltiness.
Yum.

12

I walked towards her.
" S-stand back! " she cried, trying to escape.
She couldn't

13

I swiped at her. I felt blood.
Her nose was scraped.

14

She tried to run but tripped on a rock and fell on her back. I heard a crack.

I purred.

15

" Please, Viperpaw! We're sisters!" she cried.
I smiled.
" are you hungry?"
" yes."

16

I ran. I ran to find death berries and prey.
I'm happy to say I found both pretty soon.
I stuffed the death berries inside the prey.

17

" here," the prey was heavy.
" thanks," she ate it. All of it.
I smiled evilly.

18

She convulsed. She sputtered. She tried to scream. She tried to run. But she couldn't. She was weak.

19

She was dead.
I was happy.

20

I walked back to camp.
I took a nap.
Happy.

21

" Viperpaw!!" a voice screeches in my ear.
Rattletail. He sure acted like the snake he was named after.

22

" Viperpaw! Where is your sister??!!" he screeched. " dunno," I mumbled.

23

" well come on then! We're going to find her. You come to, Cobrapaw," Rattletail growled.

24

We walked for a while. A long while. Cobraoaw ran ahead of us. I looked at rattle tail.

25

" I don't like you, " I hissed. " no one does"

26

Before I could pounce, a dark ginger she cat jumped out of the bushes.

27

" This is rouge territory!" she growled, before biting his neck.

28

Rattletail was too scared, he didn't fight back.

29

Then I heard Cobrapaw yelp.
He must have found Boapaw.

30

I whisper a quick thank you to the rouge.
She blushed and looked away.

31

" what is it, Cobrapaw?"
He looked at me, tearful.
" B-Boapaws dead."

32

Te n moons later

33

I went to the oak stump.
That's where I meet the kitty pet who helped me kill Rattletail.

34

Her names Anaconda.
I like her. Alot

35

Also, I've become a warrior.
Vipersong.

36

" Who are you mad at now?" she smirks.
I roll my eyes.

37

" Pinktounge. The loud mouth," she had been spreading rumors about me.

38

" how should we kill her?"
Anaconda asked.

39

My eyes widened. I had a great idea.

40

" We could start a fire! A raging fire, that could kill everybody! " I purred. Anaconda smiled.

41

I knew how to make one. I grabbed a stick and rubbed it against the weaved entrance.

42

When a flame appeared, I fanned it.

43

It grew and grew. It was beautiful!

44

Anaconda was purring, and so was I! It was so wonderful, the sounds of screaming.

45

But then I looked at her. I wanted to kill one more thing. *Her*.

46

As I leaped, she screamed. Her claws swiped at my legs.

47

Her eyes teared up. She knew what I was going to do.

48

I put a paw on her throat.

49

" I thought you loved me," she whispered.

50

" no, I *never* did."

51

I bit her neck. She was gone. A lot of cats were.

52

I ran. I never found a place to stay.

53

I missed Anaconda. I missed killing. I scraped my legs.

54

I finally jumped.

55

I was gone.

56

Though we were together, anaconda never talked to me again.

57

I wish I hadn't killed now.

58

I wish

59

Wish

60

I need to be alone
